Temple Mission Statement "To offer those in the Pacific Northwest an enduring community that values inclusiveness and acceptance in seeking enlightenment through Japanese Shin Buddhist teachings."

Sensei's Message

Happy New Year! Hoonko, a Service of Gratitude

Rev. Tadao Koyama

Happy New Year, everyone! I am so happy to ring in the new year with you all. January always proves to be a very busy month. We never seem to start the year walking. Always running! January is the month that our temples of Nishi Hongwanji commemorate Hoonko. This is the special service that marks the date of Shinran Shonin's birth in the Pure Land.

This year we are able to celebrate this momentous occasion with a special service where many of the temples of the northwest come together at the Seattle Betsuin. We are also delighted to host Rev. Yoshimichi Ouchi of Toronto Buddhist Temple as our special guest speaker for the Sunday service. This will be a special occasion as Rev. Ouchi was trained at the same ritual and chanting school as Rinban Kusunoki and myself. We plan to demonstrate and hold special services for the Sanghas of the northwest that are not often seen in the BCA.

The purpose of these special rituals as well as all of Hoonko is to honor the teachings and school of Buddhism that Shinran gifted all of us over 700 years ago. While I don't believe that Shinran would want all of the fanfare and services, we as students of this school have somewhat of an obligation to express our gratitude and show how much this teachings mean to us. In Kyoto, at our mother temple, Nishi Hongwanji, this service is observed for exactly one weeklong!

Shinran himself dedicated the Wasan, Ondokusan, to express his heartfelt gratitude to all of the teachers who had such an influence on his understanding of Amida Buddha. The translation of the hymn goes as follows:

*Such is the benevolence of Amida's great compassion,
That we must strive to return it, even to the breaking of our bodies;
Such is the benevolence of the masters and true teachers,
That we must endeavor to repay it, even to our bones becoming dust.*

We sing this Wasan in a lot of our services, usually the second version. While the melody sounds lovely and benign, I also see a deep and emotional quality to it. This helps to convey his gratitude and in a sense, mission to share the teachings that he had been taught.

Hoonko is one of the most important, if not the most important service in our tradition of Jodo Shinshu. As we return to our temples, and begin this new year, it is a great opportunity for us to start with a service that shows and expresses our sincere gratitude to our founder. Namo Amida Butsu.

President's Message

Let me start by wishing you all a Happy New Year!

In keeping with the spirit of new beginnings, the temple board recently went through its own annual renewal. A time where some of the members step off, having completed their 3-year terms, while other new members join the board. Sometimes this annual rite means a drastic reshuffling of the composition for the 15-member temple board. Where handing over committee responsibilities to the new onboarding members presents a challenge. This isn't one of those years.

Not only have our outgoing members, Bobby Yotsuuye, June Weled and Tracy Ling have each graciously offered to provide ongoing support for their respective committees, but Gavin Morgan has agreed to extend his term by a year, and we have only two new members, Erik Hammerstrom and Claire Silver, joining the board. As a reflection of this year's modest transition, the board's officer positions remain unchanged from 2023.

It is my hope that with this consistency of board members who are experienced from this past year (and before), along with our able new additions, that we will be effective in serving you and the needs of the temple in this coming year. Stay tuned for further updates from me as the year progresses.

Gassho,
John

Dharma School News

A HAPPY NEW YEAR! 明けましておめでとうございます。

I would like to thank all DS teachers and families for your continued support. I'm very thrilled to announce **Jill Case** is joining us as one of our DS teachers. She will be teaching Maitreya/Prajna class (2nd-8th graders). Welcome Jill, so glad to have you join our team!

A big shout out to all the **Lotus students** for running Bodhi Day Service on Dec. 3rd, and thank you, Sensei and Lotus teachers, for guiding them. DS students had fun making gingerbread houses with **June Akita** after service, thank you, June, for making this happen every year. I would also like to thank the DS students for cleaning up afterwards.

January 21st is the DS Mochi-Tsuki for all DS students. We will pound sticky rice in a traditional 'Usu (wooden mortar)' with a 'Kine (wooden hammer)' to make 'Mochi'. Mochi-Tsuki means rice cake pounding. This traditional event is done at the end of December in Japan to prepare for the New Year. Well, we were too busy celebrating the holidays here in the United States so we pushed it off until January...

Have a wonderful 2024 and we look forward to seeing students' faces back from your fun and entertaining winter break.

January-February Dharma School Schedule:

January	7	NO DS	Shinnenkai (New Year's Party)
	14	NO DS	Hoonko@ Seattle (participation counts as attendance)
	21	DS	All DS (Mochi-Tsuki)
	28	DS	regular DS Class
February	4	DS	regular DS Class
	11	DS	regular DS Class
	18	DS	All DS (Lotus students teach younger class)

Buddhist Education Committee News

Happy New Year! Hope you all are having a great start to 2024. Can you believe it's 2024?! My goodness, time flies! Before we know it, fall will be here and then winter again. Hope you all had a great holiday.

I would like to announce that we have a new BEC director... Erik Hammerstrom was kind enough to step up and accept the position. Thank you so much Erik! Appreciate you and all that you do for the temple. We hope that you enjoy the new role and find ways to help the temple thrive going forward.

If anyone would like to help out at the temple or take on a new role, please feel free to reach out. We are always needing an extra hand.

As we reflect on the past year, we think back to all the new memories and experiences made. For me, this past year has been very hard and taught me a lot of life lessons about myself. I learned not to take things for granted and appreciate everything that I have. I'm so grateful for my family, my dogs, my love for writing and the temple. Little things like this that seem so small make me smile when I look back on them! I'm planning on starting my year with more appreciation and attention. By paying closer attention to these things and giving more thanks to them, I'm hoping I will become a more enlightened individual.

I hope that you all can take a deeper second to pay closer attention to things in your life that spark joy.

Happy New Year,
-Rachel.

Facility Committee Update

For a while our social hall stove gave us some head-scratching moments. First, there was the question of whether it was among stoves that are being recalled, because they potentially emit dangerous levels of carbon monoxide. Well, since our model number didn't make the list, it turns out we sort of won the lottery on that one. Therefore, the kitchen staff will not have to learn pranayama yoga to hold their breaths while preparing that fine cuisine that they excel in. Or, simpler yet, we could have gotten a new stove. Additionally, there was a mystery of why all the ignitors in each section would spark when only one burner was being lit. Our crack culinary team were concerned that a chorus of sparky clicks might indicate we had a lemon on our hands. David Yotsuuye put everybody at ease. Our stove was engineered to work in this manner. However, one ignitor isn't sparking with the rest of the gang. A technician will need to address that issue.

The Reverend Pratt Room will be getting new windows courtesy of Robert Yotsuuye and the YBA. We should designate the YBA honorary members of the Facility Committee. Since the work by TN Glass was scheduled for 28 December, the project should be completed by the time the Myokyo is published.

Rick Tanabe, Delbert Sasaki, and Jeff Hiroo continue to maintain our grounds.

Lynrae Hubbell is hard at work keeping Fawcett Avenue and Court D Street litter free. With David Yotsuuye, Robert Yotsuuye, Tom Hubbell, Tony Gregg, Rick Tanabe, and Del Sasaki on the facilities team 2024 is sure to be a good year.

TACOMA FUJI TAIKO!

Akemashite Omedetou: ... from Tacoma Buddhist Temple's own Fuji Taiko!

Who we are: Founded back in 2009 we're just a bunch of volunteers whose primary function is to have fun playing/performing taiko! We consist of temple members and non-temple members who get together usually after Sunday service and beat on a drum.

What we do: We perform at temple events like Bon Odori, the New Year's Party and wherever the temple needs us. Sharing the art of taiko throughout the South Puget Sound community, we've performed and run intro-workshops

at various public schools, supported internment camp remembrances, performed at UWT/TCC Ethnic events, as well as supporting various cultural events around and for the City of Tacoma.

Join Us! If you have an interest in taiko and would like to join our performing group, you do not need experience. Just a fantastic attitude and some rhythm, and you don't even need to have that! We are always looking for players and you can start off not knowing much, we will teach you. **If you would like to inquire about our group:** Please feel free to send an email: Bobby Yotsuuye: yotsuuye@outlook.com.

Sayonara & Mahalo: We would like to thank Jessica, Ryan, & Colton joining Fuji Taiko and teaching us the proper ways of how to play. We will miss you and are very excited for your next phase in your lives in Oahu! Kathy-chan, please come back after graduation!

Gassho: Your friends at Tacoma Fuji Taiko!

Known for 12 years as "**Open Taiko**", "**Issho**" has been added to capture the spirit of these sessions.

Sessions occur monthly. Periodically, there are 3-4 session weekly workshops to focus on learning more taiko skills and longer songs for those interested.

Participants (public and TBT members) have ranged in age from teens to 80. IOT is an informal taiko education and "hands on" program without a requirement for regular attendance.

For more information and to register for a session, contact *Wendy Hamai* at (253) 678-2891 or wfhamai@rainierconnect.com
