Temple Mission Statement *"To offer those in the Pacific Northwest an enduring community that values inclusiveness and acceptance in seeking enlightenment through Japanese Shin Buddhist teachings."*

Sensei's Message

Happy New Year!

Rev. Tadao Koyama

A very happy new year to you all! I hope that your 2025 is off to a wonderful start. As we begin this new year, I hope everyone was able to get much needed rest and relaxation to ready ourselves! Though, it seems that holidays and family gatherings can tire us out too! I would first like to thank our past President John Inge for his dedication and leadership for these past two years! It was a real pleasure working alongside him to promote the temple and community!

I would next like to thank Gavin Morgan for taking over as president! Being the president of a temple is never an easy task, but I sincerely appreciate him stepping into this role of our temple. I am more than confident that Gavin will succeed as the leader of the temple and that all of us will give him our support.

January is the month where we celebrate Hoonko. This is one of the most important special services that the temple observes every year. This is the occasion that commemorates our founder, Shinran Shonin's birth in the Pure Land. The official date for Nishi Hongwanji is January 16, and Higashi Hongwanji's observance is on November 28. It is important that all Jodo Shinshu temples observe this holiday because of the teachings that Shinran clarified for us.

Even though Shinran is no longer with us, we can still share our appreciation for his legacy and teachings. The teachings he brought were accessible to the people of Japan, and easy to practice as well! "Just say the Nembutsu".

Today in Japan, Hoonko is celebrated for a whole week in January, from the 9th-16th. Each day consists of at least four services, and hundreds of priests from all over Japan come to Kyoto to participate. It is truly an amazing week to observe. Members from all over the world also come to pay their respects as well. Traditional Japanese music called Gagaku is heard every day, and the chanting echoes through the halls of Hongwanji.

I look forward to celebrating Hoonko with you all and let us come together to thank Shinran Shonin for sharing a teaching that all of us can relate to! In Gassho

President's Message

I wish you all a Happy New Year! This new year is a time to reflect and offer gratitude, grounded in the teachings of the Buddha, we express our deepest thanks to the board members whose service to the temple has concluded. I would like to extend my gratitude to outgoing Board President John Inge, as well as Tracy Ling, Mayumi Ikeda, Michael Shiogi, and David Yotsuuye. Their dedication and efforts have strengthened our Sangha and furthered the mission of the temple.

As we move forward, I am excited to welcome new board members Joel Robison, Carrie Mori, Bobby Yotsuuye, Rachel Meatte, and Meesa Pedroso. With their unique talents and dedication and with dedication and talents of those remaining on the board, I will work to ensure that, as the board's new president, we will continue to serve our temple and help share the Dharma with our community.

As a history teacher, I am particularly inspired to focus my first year as board president on preserving the temple's rich history. I aim to highlight the contributions and achievements of all those who have lovingly stewarded the temple over the years.

May this year bring wisdom and compassion and continued growth for our Sangha.

In gassho,
Gavin

Buddhist Education Committee

Thank you all for attending this year's Bodhi Day celebration! A special thanks goes to the Lotus Class for conducting!

Please mark your calendars for our **New Year's Party and Keiro Luncheon on January 5th** following service in the social hall. We'll enjoy a short program that includes the presentation of each Keiro Honoree. For those who may not be familiar, *Keiro* means "Respect for our Elders," and this luncheon is our way to honor and celebrate our elders by sharing a meal and deepening our connections with them. Thank you for working with your Toban chair to get your order for either KFC or Bento lunches—it's always amazing to share a meal together.

Another service to look out for this month is **Hoonko on January 19th**, the memorial service for Shinran Shonin. This service is a way that we can reflect our appreciation for Shinran's life and teachings. Here we typically display special flower arrangements on each of the altars in the Onaijin. Additionally, *zenzai* (sweet red bean soup with mochi) will be served in the social hall after the service. It's personally one of my favorites.

Finally, I want to extend my gratitude to everyone who helps make these special services and events possible. Arigato!

In Gassho,
Kenzo

Facility Committee

Not to brag or anything but your Facilities and Grounds Committee has been busting out some accomplishments. First of all, a contractor for the capital campaign project has been selected. Pains were made to ensure it wasn't a gremlin front organization posing as a legitimate, competent firm. We don't want anyone cross-connecting the water service to electric lines. On the other hand, that mistake might be serendipitous. Since water conducts electricity, why not use that property to our benefit. We could wash rice and toast bread via a faucet connection at the same time. Additionally, a new audio system for the hondo has been picked out. Perhaps that will help those of us with poor listening skills to hear what we want to hear. A 15-foot step ladder was purchased and immediately deployed to change an overhead lantern light bulb in the hondo. With the enhanced lighting, those of us who are optically deluded will have no excuse for seeing only what we want to see.

If y'all see Nick Greenaway extend many thanks for volunteering to serve on the Facilities and Grounds Committee. His electrical experience will come in handy.

David Yotsuuye, Robert Yotsuuye, Tom Hubbell, Rick Tanabe, Nick Greenaway, and Del Sasaki are a crack team ready to pounce on any challenge.

Lynrae Hubbell continues to swoop in to give any litter on Fawcett Avenue and Court D a one-way ticket to the landfill. Also, Rick Tanabe and Delbert Sasaki are keeping the temple lawn, adjacent lot, and the wisteria in prime condition.

~Dave
